Attention: Heidi Schubert, Registrar

Dear Madam:

Re: Court of Appeal No. 17030288AC

I am writing to you with respect to this matter that was struck on December 12, 2017.

The matter was inadvertently placed in our system as a regular Appeal matter which lead to the Record not being filed on the date required. The day that this was brought to our attention, we advised all counsel and, on the following day, provided an explanation and a Consent Order to all counsel restore the Appeal. We received the consent of the last counsel on Saturday, December 30, 2017. We enclose the attached Consent Order which has been executed by all counsel.

Please note that we provided in the Order from the outset that we would file the Record and respect the existing expedited dates. In that regard, we are also enclosing the Record as well as the Factum, the Key Evidence and the Book of Authorities for filing.
