We act for applicant, Ms. Kennedy, with respect to the above-noted application currently scheduled to be heard November 21, 2017. We write on behalf of all parties to request an adjournment of the application to November 29, 2017, as counsel for one of the Respondents, the Sawridge Trustees, is not available November 21.

All other parties are agreeable to this request and we are advised by the Registry that November 29 is currently available for the hearing of this application. Thank you.
