Re: Priscilla Kennedy (A) v. Roland Twinn (R) and others
Appeal No. 1703-0239AC

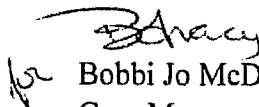

I have reviewed your letter of October 3, 2017 and Ms. Bonora's letter of October 4, 2017.

As the Sawridge Band participated in the proceedings below and made submissions concerning the order which has now been appealed, the Band is a proper respondent to this appeal. An application to intervene under rule 14.58 is not required.

The Band may file materials in response to the application for permission to appeal currently scheduled for October 17, 2017.

The appellant should file an amended notice of appeal to reflect the Band's status on appeal as respondent.

Thank you,

for Bobbi Jo McDevitt
Case Management Officer
