Re: Priscilla Kennedy (A) v. Roland Twinn (R) and others
Appeal No. 1703-0239AC

Type of Appeal and Procedural Issues

Your recently filed Notice of Appeal has been reviewed and the appeal has been categorized as a Fast Track appeal.

From the materials filed, it appears that the following procedural issues are outstanding:

- An application for advice and direction concerning whether permission to appeal is required has been filed along with a notice of appeal. Please note that the filing of the application does not automatically suspend the deadlines that are triggered by the filing of a notice of appeal.
- A copy of the order/judgment under appeal has not been included with the Notice of Appeal. Please provide a filed copy of the order/judgment as soon as it is available.

Should you wish to provide a response, or if you require assistance with managing this appeal, please contact the Case Management Officer.

Deadlines / Timetables

A summarized version of appeal deadlines is available on the Court of Appeal's website under "Publications and Forms" – Filing Deadlines. There is an option to submit timetables for the appeal instead of following the deadlines set by the Rules of Court. A timetable sets out mutually-agreed upon deadlines for the filing of all materials, including the hearing date. The proposed timetable is sent to the Case Management Officer for approval. A sample timetable is available on the Court of Appeal's website under "Publications and Forms" – Filing Deadlines.

Resources

The Alberta Rules of Court and the Consolidated Practice Directions (CPD) of the Court of Appeal are available on the Court of Appeal website at <https://albertacourts.ca>. Please review the

resources that are available on the website, which includes sample forms, precedents, FAQs, and sitting dates.
