Dear Counsel:

**Re: Sawridge Trusts**  
**Action No. 1403 04885 ("2014 Action") and**  
**Action No. 1103 14112 ("2011 Action")**

I have for reply your letters of August 31 (Ms. Osualdini) and September 1 (Ms. Cumming, QC).

I am not available to hear a scheduling application during September or October. However, from a review of your correspondence, it does not appear to involve either a complex or a time consuming matter.

Therefore, I direct that you deal with the scheduling application in morning civil chambers.

Yours truly,

A handwritten signature in black ink, appearing to read "D.R.G. Thomas".

D.R.G. Thomas
