My Lord:

**Re: 1985 Sawridge Trust
Action No. 1103 14112**

Please be advised that the Sawridge Trustees will be appealing certain aspects of your decision of June 12, 2012 once a form of Order is agreed to and entered. As such, all participants agree that the dates and timelines for the Advice and Direction Application contained in the Procedural Order dated June 4, 2012 are no longer feasible, including the August 23 and 24, 2012 dates currently set aside for the application. Once the appeal is dealt with we will either forward you a further Procedural Order for your consideration or appear before you for your direction.

We have brought this to the attention of Sharon Hinz, Commercial Trial Coordinator, so that the August 23 and 24, 2012 dates may be used for other matters. However, because these dates were initially secured by way of your Procedural Order dated June 4, 2012, we would respectfully request that Your Lordship confirm with Ms. Hinz that these dates can be released at this time. We have provided Ms. Hinz with a copy of this letter.

Please note that this letter is sent with the consent of legal counsel for the participants in this matter, and we have provided each of them with a copy of this letter as well. We trust that the above is satisfactory and thank you once again for your assistance.

Yours truly,

REYNOLDS, MIRTH, RICHARDS & FARMER LLP
