Hearing Date

This will confirm that the application in the above named case is scheduled to be heard in **Single Justice Chambers** on **June 15, 2022 at 9:30 a.m.**. The matter will be heard virtually via WebEx.

The Court has directed that all counsel and self-represented parties attend the hearing 15-30 minutes prior to the designated time so as to ensure any technical difficulties are resolved prior to the commencement of the hearing. Should there be more than one application scheduled on that date, the duty judge will decide at that time which application will proceed first.

Counsel of Record

If there are any changes to counsel of record or any additions to counsel who will be appearing at the hearing of this application (whether speaking or not), please ensure that our office is

informed in writing as soon as possible prior to the hearing of the application so that the record of counsel and appearances are properly captured.

Adjournments

If a request for an adjournment becomes necessary, please make that request in writing as soon as possible in advance of the scheduled hearing date. The request must include reasons, the length of adjournment requested and a statement as to whether it is consented to or contested by the other parties to the application. The applicant should be particularly mindful of the provision of rule 14.44(2) and rule 14.52.

Electronic Appearance

The hearing will proceed electronically via WebEx. You can use either a computer or a smartphone to connect. It is recommended that you use a headset. Please note that a meeting invite will be emailed to you the day prior to the hearing. Should you not have access to a computer or a smart phone, please contact the Registry as soon as possible to make alternate arrangements.

Please refer to the following resources which will assist in preparing for the electronic hearing:

[Guide for Connecting and Attending Electronic Hearings for Counsel and SRL](#)
