Dear Sir/Madam :

**Re: The Office of the Public Trustee of Alberta (A) v. Roland Twinn (R) and others
Appeal No.: 2203-0043AC**

**Catherine Twinn (A) and others v. Roland Twinn (R) and others
Appeal No.: 2203-0045AC**

We notice that our letter addressing the Intervenor application was stamped "Filed Late". We enclose the email in which we were served with the application for Intervenor status by Shelby Twinn on **June 7, 2022**. After being served we then took the opportunity to read the materials and Affidavit. We took the opportunity to scan our file to determine if the materials we received contained new evidence and obtain instructions from our client. We were then in a position to file our short letter brief on **June 13, 2022** which is only 4 business days after we received the Intervenor application.

We wish to bring this to the attention of the court. We do not intend to object to being given insufficient notice. We simply wish to point out that we made our submissions at our earliest opportunity.

Respectfully submitted
