Dear Justice Little:

Re: In the Matter of the Trustee Act, c. T-8, As Amended
1985 Sawridge Trust
Case Management Conference - November 27, 2025

We write further to the Case Management application held on November 27, 2025.

We have been informed by the Court Clerks that we require the consent of the Case Management Judge in order to order the transcripts of the application. In the past, the Trustees have always ordered all of the transcripts and made them available to the parties in the litigation given the amount of case management meetings and longevity of the file. Accordingly, we respectfully request your permission to order the transcripts going forward.

Yours truly,

Dentons Canada LLP
